Answer

(a) to (e) At present, there are over 40 skill development schemes being implemented by Central Ministries/Department in the country. A number of these schemes are being implemented on pan India basis including Gujarat. The Ministry of Skill Development and Entrepreneurship has "Pradhan Mantri Kaushal Vlkas Yojana (PMKVY)" which is the flagship skill development scheme of the Government. Under PMKVY, till 11.11.2016, around 44,000 persons have been trained in Gujarat including 2061 in Narmada and 491 in Bharuch District. There are certain challenges like mobilization and awareness, infrastructure and job opportunities generally faced in training and placement of youth which are addressed through kaushal melas, involvement of local agencies in mobilization and awareness, tie up with local industries etc.
